

FRIDAY LECTURE 4:30-5:30 PM

Keys to Being Effective in Creative Ministry = (Duane Laflin) Important concepts for all creative entertainers... illustrated with tricks, sight gags, and humor.

SATURDAY LECTURES 9:00-10:00 AM

Mission Magic = (Sheldon Rhodes) Going on a mission trip? Do you know how you are going to share the Gospel? Do you know what to take and how to use it? Come to this class as we learn Mission Magic...practical, useful effective magic tricks perfect for that mission trip. Why wait to go on a mission trip? Start using these ideas in your church this Sunday.

Time Tested Gospel Magic Routines = (Steve Varro) The effects and routines shared in this workshop have been audience tested all over the world. This workshop is designed to help you do your very best in communicating the love of Jesus Christ through your magic.

School Shows = (Curt & Diana Patty – “Handy Andy & Blossom”) Learn routines, skits, and illusions to teach and entertain kids to dream, believe, and to reach for the stars.

Preparing a Ministry Program = (Scott & Susi Stephenson) Incorporating Multiple Arts: Puppets, Rods, Juggling, Chalk Art, Ballooning, and Magic! A team often brings many talents that add to create a vibrant, ever-changing ministry. Come and see how we do our ministry and learn ways to prepare programs for various creative arts.

Storytelling Secrets = (Nancy Wheeler) Learn 5 foolproof ways to improve the delivery of your story.

Balloon Flowers = (Tane Alexander) Come and learn to make beautiful balloon flowers. Please bring your own balloons and a pump.

SATURDAY LECTURES 10:30-11:30 AM

Tricks That Teach the Gospel = (Greg Hamilton) Come and learn new ideas that will enable you to share the Gospel with your audience.

Magic with a Message for Ministry = (Duane Laflin) Solid Gospel magic routines for church, Sunday School, Children’s Ministry, and much more.

Keeping the Ministry in Your Clown in All You Do = (Virginia Deming - "Holly Lula”) This lecture includes secular and ministry gigs. We will sing songs, do simple magic, skits, walk arounds, and games. It is a hands-on lecture. Everyone can participate if they want to.

Juggling Time = (Sheldon Rhodes) You make time for work. You make time for school. You make time for soccer practice. You make time to eat, to sleep, and lots of other things. You are pretty good at juggling time; now, it’s time to juggle. Juggling is a relaxing sport that can relieve the stress of juggling time. So, take time to juggle. Come to this class and learn how easy it actually is and how you can incorporate it into your ministry.

B.L.A.M. Ventriloquism & More = (Del Wilson) This is a short course on how Del does vent and also gives you novel ways to use ventriloquism.

Bees - 321 & 6” Hearts = (Penny Kovach) This is an intermediate class – not for beginners. Learn the many things you can make with these 2 balloons. Bring your 321’s and 6” hearts and twist along.

SATURDAY LECTURE 1:15-2:15 PM

Think Out of the Box...And Beyond = (Del Wilson) Gospel tricks you can make using common items and creative ways to develop your own ideas for Gospel tricks.

Much Ado About Magic = (Steve Varro) To Act or Not to Act?...That is the question. This workshop has the answer. This workshop will share with you many ideas, tips, and tricks that will help you do what you do with more effective results.

Put the Comedy Back in the Clown = (Paul Ricksecker - "Hoby Tyler") This lecture is a combination of clown skits, simple gags, and a flair for Gospel applications.

This and That = (Terri Sowers) Puppets can be made out of various materials. How to make puppets out of Dollar Tree items, poster board, foam board, etc....things that wouldn't cost much and basically "this and that" supplies.

Vent Puppets for the Non-Vent People = (Greg Hamilton) Come and learn how to use vent puppets even if you are not a ventriloquist.

Hats All = (Gilbert Adams) This is a class on hats from basic to "WOW". Bring your balloons and let's see where we can get you. Bring your imagination and fun.

SATURDAY LECTURES 2:45-3:45 PM

Magic Potpourri = (Jack Alexander) This is a potpourri of effects to get people's attention so they will listen to the message.

Magic, Mirth, and Ministry = (Duane Laflin) Gospel magic with an emphasis on humor and fun that helps you establish rapport and win the right to be heard.

Presenting the Gospel in Unique and Innovative Ways = (Curt & Diana Patty – "Handy Andy & Blossom") This lecture teaches ideas using magic, clowning, and household items to share the Gospel with kids & adults. We will share AWANA suggestions, object lessons, great ideas, and lessons to share, along with clown skits to do.

Chalk Art Primer = (Ida Odell) An art anyone can do. Basic instruction on paper then taking it to the sheets.

Oh, Great...This One Again = (Nancy Wheeler) Learn to involve your listeners in your stories with fresh, new relevant ways that the listeners will relate to and enjoy.

Working a Balloon Line = (Tane Alexander - "Tango") Bring your balloons and pump...we are going to make things that you can do when you are working a line.

SATURDAY LECTURES 4:00-5:00 PM

Strolling & Table Hopping Magic = (Greg Hamilton) Come and learn about easy pocket magic that looks professional.

God Rods & Gloves = (Scott & Susi Stephenson) Dowel rods (God Rods) and gloves can be an effective and powerful way to present the Gospel. Come and learn a routine to the song, "Arise, My Love."

Christmas Characters = (Penny Kovach) This lecture provides a mixture of Character Development "do's and don'ts."

Chalk Art...the Inexpensive Way = (Mary Soliday) Another good title for this lecture would be "Everything You Wanted to Know about Chalk Art and How to Do It Inexpensively." The title says it all..

Dazzling Magic Effects = (Paul Ricksecker - "Hoby Tyler") This is a combined lecture using "standup" and "mental" effects. This is a collection of comedy and Gospel effects that are all do-it-yourself stuff. Some old, some new, and some favorites from the Magic Castle. All easy to do and no hard "slights." There will also be some book tests, cards, or numbers that will be loaded with fun, comedy, and some Gospel applications. This is good, practical stuff that almost anyone can do.

You Want a What!!!! = (Gilbert Adams) Things I do in my restaurants and a chance for you to ask for the things you would like to learn. Sign up (during class with your wants to have taught) and we will see what we can get made during class to answer your dream or hard to figure out balloon. Please bring your balloons and cameras and let's have some more fun.
